

Registering for eMarine

Register now for the 1st Marine Regiment's eMarine website. eMarine is a web delivery system supporting Unit, Personal, and Family Readiness. This website will provide unit members and their families with quick, easy access to Command information, resources, photos, videos, base information/events and much more. This tool will be the primary means through which the Family Readiness Program and the Command will push information and conduct organizational networking. Your participation will be extremely valuable as we move forward. The registration process is outlined below and takes just a few minutes.

If you already have an account with eMarine, you will need to log into your account and then just add our page. Please log in and then start from step 2 below once you are logged in. You can have access to up to five unit pages at one time.
