CORPORALS COURSE OBLIGATED SERVICE WAIVER REQUEST

1. Purpose. To waive the obligated service requirement for Marines with less than six months remaining on contract but intend to continue service.

2. Information. There are various avenues Marines are able to take to continue military service and this waiver, if approved, will grant the Marine the ability to complete their education and further their career. Units will identify the continuation program below and submit the waiver to Division Schools. By completing this form, units affirm that the Marine does intend to continue service through the selected program.
